MY BRAND EVOLUTION

The entrepreneurial bug bit me when I started flipping sports cards to friends and at local collectors shows when I was just 13 years old and I never looked back. The path has most definitely been winding - filled with obstacles, pivots, and the unexpected loss of my last corporate job. But throughout that time, I've also experienced growth, evolution, victories, and the privilege of partnering and collaborating with like-minded professionals who share my passions and beliefs.

HIGH PRAISE

"Jason is what I would call a Platinum Podcast Guest. He put together a great idea for a collaborative interview, showed up on time, had great technology, and didn't leave anything on the table. If you're looking for a guest who will truly bring value to your audience, this is the guy. I typically say no to 95% of the pitches I get for guests. But Jason's preparation and pitch blew my mind! It was a no-brainer addition to my content." --- Travis Brown, Founder of Social Boom and Content Creator Club
